# CO2 Smoke and Monitor

SKU: 0200154          EAN:

## FEATUES

The Edis CO2 Smoke and Monitor is Dual channel vents,Real-time detection of carbon dioxide data changes, scientific ventilation design, ventilation and heat dissipation faster, the sensor work efficiently, Hanging design Multi-angle view is not backlit, with 2 meters long data line, 24 hours detection data constant electricity. Real-time detection and fast measurement Carbon dioxide measurement range:0-5000PPM Resolution:1PPM. Combo CO2 and Smoke Alarm Detector Place of use home Classroom Office Gym Factory Greenhouse...

## CO2 SMOKE AND MONITOR

| | |
|---|---|
| Material | Fire resistant ABS+LCD |
| Smoke sensor | photoeletric smoke sensor |
| CO2 sensor | NDIR CO2 sensor |
| Temperature measuring range | 400-5000ppm±5% |
| Humidity measuring range | -20°C-60°C ±2% |
| Co2 and smoke alarm | 5%-95% ±5% |
| Smoke sensitivity | 85dB (1-3M) |
| Battery capacity | 0.1% db/m-0.3% db/m |
| Resolution | 1400mAh |
| Storage temperature | 1 PPM |
| Power supply | -10 -60°C |
| Warm-up time | Chargeable battery and 2M long USB |
| Product size | <7 Secomds |
| Product weight | 102mmx52mmx140mm |
| Customize | 320g |
