EA015 Classroom Speaker with Bluetooth

SKU: EAN:

Edis

FEATUES

The Edis EA015 40 Watt or 80 Watt Wall mounted Active Classroom Speaker - amplifier and speaker system, ideal amplifier for classroom and meeting rooms, easily fits either side of touchscreen or interactive whiteboard with Bluetooth and Volume, Bass and Treble controls.Classroom speaker designed for pupils to create correct sound levels and frequency range for the speech of the teacher to aid learning ability.Safety features are enhanced to prevent damage to the equipment and pupils using steel grille and secure wall brackets.The product has Bluetooth two RCA inputs for PC and other device so that the teacher does not have to change the cables when using different equipment. Hi and Lo impedance inputs cater for different device output levels for PC and outputs for other devices. The volume control is front mounted together with a power on/off switch that complies with latest CE directives.With wired remote control it's important toturn off the amplifier after use or the wired remote will pick up interference if the input device is still connected (hum).Nominal 2x 20 watt or 2x 40 Wwatt amplifier with Sound Pressure Level of 92 dBA at 1m and 77 dBA at 6 metres (back of classroom) twice the loudness of some lookalike models or 80 Watt 105 dBA at 1 m for extra large class rooms
