

# EC92 Electrostatic Air Purifier

SKU: 0200092

EAN:

## FEATUES

The Edis EC92 HEPA filter can last for up to 3000~4000h under normal care and use. Ideal for anyone who has allergies or sensitivity to airborne particles. Regular replacement provides a clean-air environment for those who may be sensitive to certain types of pollution. Ensures that your air purifier will run efficiently and keep the air that you breathe clear. Captures up to 99.97% of pollen, dust, pet dander and smoke particles as small as 0.3 microns.

## AIR PURIFIER

Model	EC92
Rated voltage	110-120/220-240VAC
Rated frequency	50/60Hz
UV lamp	Y
Humidification	N
Remote control	N
App control	Y
Negative-ion generator	Y
Rated Power	65W
CADR	410m³/h
Using area	40-55m²
Noise	35-65db
CFM capacity	175-300m³/h
N/W.: (kgs)	10KG
Product size (mm)	425*220*630mm
Carton size (mm)	470*255*675mm
