

EH194 Wired headphones

SKU: 0110194

EAN:

FEATUES

- EH194 Wired headphones. Not only can their adjustable headband withstand the demands of countless hours in a recording studio, but they also provide an ideal fit with their ear pads that wrap around the ears nicely and reduce outside noise.
- Comfortable to wear
Breathable protein ear muffs are comfortable to wear and almost impervious to sweat and everyday use, 2M cord and 3.5mm plug for easy connection to portable devices.
- Folding design
Rugged construction, high density headband, enhanced resistance to scratching and bending. Foldable design, easy to carry.
